Stunning Mountain-View Walkout in the Heart
of Tuscany

Perched on a quiet street with unobstructed panoramic views of the Rocky Mountains, this stylish and modern Beattie-built two-storey walkout is nestled in one of Tuscany's most desirable family-friendly neighborhoods. With no rear neighbours, this home offers privacy, space, and breathtaking natural scenery—just minutes from top-rated schools, shopping, greenspaces, and the Tuscany Club.

Inside, you'll find over 2,500 sq.ft. of beautifully updated living space, featuring rich hardwood floors, a renovated maple kitchen with quartz counters, upgraded backsplash, and a large island complete with a built-in wine rack and farmhouse sink. The sun-filled great room steals the show with its vaulted, beamed ceilings and stone fireplace, creating a warm, open-concept space ideal for both entertaining and everyday living.

The upper level boasts three generously sized bedrooms, including a west-facing primary retreat with stunning mountain views, a walk-in closet, and a spa-inspired ensuite featuring a corner jetted tub and separate shower.

The fully finished walkout basement adds valuable living space with a fourth bedroom, a luxurious bathroom with double vanities and an oversized shower, and a spacious rec/games room complete with a cozy gas fireplace.

Additional highlights include:

Oversized insulated/drywalled garage

Dedicated main floor home office with French doors

Main floor laundry

Natural gas BBQ hookup on the balcony

Fenced west-facing backyard with covered patio

Ideally located near the LRT, major roadways, and all of Tuscanyâ€™s amenitiesâ€”including 2 public elementary schools, a Kâ€”9 Catholic school, and a public 5â€”9 middle schoolâ€”this is a home where community, comfort, and convenience come together.

Welcome to Tuscanyâ€”where you donâ€™t just live, you belong.
