additional bedrooms, each with generous closet space, and a full bath complete the upper level. The fully finished walkout basement is made for family fun and weekend gatherings. It offers a large 4th bedroom with a walk-in closet, a stylish 3-piece bath, a spacious family room, and an incredible wet bar with built-ins and display cabinets. And just wait until you see the backyard-your own private playground oasis! Designed with both kids and relaxation in mind, it features a custom jungle gym-style obstacle course under the deck, a cozy patio seating area for shady lounging, and a family-sized Finnish sauna with heated rocks and warm cedar, complete with a foyer/changing area.
